OLD ROSEBUD SCORES AN EASY VICTORY IN  
YUCATAN STAKES AT JUAREZ.

Get of Young Star Shoot Stallion Making an Excellent Showing at Mexican Course—Inquieta and Buke Winning Favorites

El Paso, Tex., February 9.—Before one of the largest crowds of the season, the third running of the Yucatan Stakes took place at Juarez today. It was won last season by the mighty Hawthorn, which left here with an unbeaten record. The first year the distance was half a mile and it was won by the most famous horse in the city, which carried the American record for the distance. It was then reduced to three and a half furlongs. Frank D. Weir set the winner to the post today in Old Rosebud, a colt, bred by the late J. W. Rosebud, of Ivory Belts. The impressive manner in which he won stamped him as a high-class youngster. He simply played with his opposition and won off by himself, leaving the opposition in the dust throughout the running. Except Manguadon the others showed a strong dislike for the heavy and mudding track. This was particularly true of the favorite, Manguon, from the stable of A. B. Spreckels. Old Rosebud is the champion of the track. Uncle's get to run here and it looks as if that Star Shoot stallion will be highly successful in the stud. Alvin Mamm and Edith are the other Uncle's. Mamm has been secured here.

George M. Odum's filly Iniquita duplicated her work of yesterday in the second race. She simply won in the kind of track conditions that are prevailing.

"These riders, with many other 'knights of the pigskin,' have helped to make turf history. It would take a book to give the history of each, therefore, I will just add their names to the roll of honor."—*The Turf*.

C. Koerner, Butwell, V. Powers, Fuller, J. L. Mountain, Musgrave, Notter, E. Dugan, Doune Feakes, Covington Radlike, Overton, R. Williams Knight, Garner, C. H. Shilling, D. Austin, F. O'Sullivan, Stoval, Thomas, Barnes, Donnick, Colburn, Sherman, had all done it.

Rake was made favorite for the closing race on the strength of his winning performance of yesterday and the diminutive apprentice rider, J. J. Smith, handled his mount with rarely good judgment. He was warmly applauded upon his return to the scales.

A party of Philadelphians arrived this morning. They are all members of the American Polo Pony Association and will leave for England this Tuesday. They include L. S. Stewart, C. Converse, R. Elliott, and W. Cowden. James Ray acted as their escort here and they visited the stables to look over several of the horses that may make good polo pony prospects with special reference to the American-bred ones.

Jockey Groth was thrown into the fence while riding Royal Dolly, by Burlingame, on Eye White. The boy's leg was considerably bruised.

Jockey Barham was suspended for ten days for disobeying starter Cassidy at the post in the first race.

After the races yesterday, the following horses worked:

Chapultepec—Half mile in 55, breezing. Not much improving.

Cliftonian—Mile in 1:59, cantering.

Duke of Bridgewater—Half mile in 55, breezing.

Dynamo—Three-eighths in 41, breezing. Seemed to like the mud.

Mazurka—Half mile in 51½. Extra good work.

Nobby—Half mile in 55, breezing. Not much at present.

This morning the track was exceedingly holding and full of holes. What few horses were out worked around the "dogs," as follows:

Amey—Half mile in 59, breezing. Preferred fast track.

Auto Girl—Three-eighths in 44½, breezing. Is improving.

Auto Run—Three-eighths in 46, breezing. Is rounding to form after having been fired. Runs especially well in mud.

Bachelor Girl—Mile in 1:59, cantering. Is at her best and will win when properly placed.

Baden—Half mile in 59, breezing.

First Star—Seven-eighths in 1:45, cantering. Likes soft going.

High Street—Three-eighths in 46, breezing. At his best.

Holabird—Half mile in 59, breezing. Has had wind.

Moller—Three-quarters in 1:28, cantering. Has rounded into form again and looks extremely good.

Orbicular—Half mile in 59, breezing. Is at his best, which is not much.

Quick Trip—Three-eighths in 44½, breezing.

Rositaire—Three-eighths in 44½, breezing. Is good.

Servicence—Seven-eighths in 1:47, cantering. Is good.

The first foals by Harrigan will begin shortly to arrive at the farm of Horace Jones near Parnell, Mo. J. A. Seckington, who is now racing a string of his own horses, has that son of Plaudit from H. R. Brandt last spring for Mr. Jones. Mr. Jones has secured a number of thoroughbred mares for his Missouri breeding farm, all of which are due to drop foals by Harrigan this season. They are Top Notch, by Hamburg; Tender Bloom, by Sir Dixon; Lemon Girl, by Madstone; Miss Winkle, by Star; Felix; Princess Tulane; by His Highness; Lady, by Knight Errant; Silver Light, by Sir Thomas; Resida, by Pardee; Hester Zorra, by Cesarion; Bettie Fuller, by McGee; Mattie Kernan, by McKee; Mikie, by Mazagan; Flarney, by Green; and Lavin, by Lapham. The latter two were by Gallantry; Black Domino, by Ethelbert, and Baronia, by Bannockburn. Mr. Jones, who is a wealthy man, has his son, B. A. Jones, associated with him in the breeding business and intends to export his operations to the line during the next few years. He intends to establish a stable solely, with the object of getting together a good class racing stable. His horses will be trained and campaigned by Mr. Seckington, when old enough to race. Mr. Seckington has recently bought four race mares and a gelding, with which he will race during the meeting here and then send them to the farm in April to be mated with Harrigan. They are Piekinniny, by Cesarion; Minnolette, by Minora; Debutante, by McGee; and Barbara Worth, by Saltwater. The first selected by Mr. Jones for the location of his breeding stud is fifteen miles from Faustina Farm, where was located the famous Faustus and where the late J. B. Prather bred such noted horses as Galen, Elwood, William III., First Ward, Jay Jay Cec, Cesarion and scores of other famous winners. The exception of Barney Schreiber, Mr. Jones will be the best bred and enoughbred breeder. Mr. Seckington, who has charge of his training stable, and has acted as his agent in the purchase of Harrigan and the broodmares he owns, is a horseman of wide experience and good reputation. He is a son of Missouri and was raised near where the Jones' breeding farm is located. Harrigan was a good race horse and except King James, ranks as Plaudit's best son. On his

(Continued from first page.)

dam's side he is English-bred and his pedigree  
is regarded as faultless throughout. With the breed-  
ing chance now given him by his Missouri owner,  
he is likely to make good as a sire.The eastern turfman James Ray, who purchased  
here recently the speedy sprinter Pawhuska, for  
\$2,000 he got a cheap horse in this fast five-year-old.  
The son of Chappagua and Mercedita is of the type  
which should make an ideal stock horse for the  
breeding of small thoroughbreds and when  
with racing is likely to be sought after by breeders  
of such stock. That Pawhuska will be a star in  
polo racing is almost a certainty. Excepting Calisse,  
he is the speediest horse ever sold hereabouts for  
such racing.Lithos, the sire of Manganese and Othello, a  
couple of two-year-old winners here this winter,  
and also the sire of the useful selling plater Engraver,  
is now dead, and the dams of these youngsters as  
well as the other mares owned by J. A. Blackford,  
the Denison, Tex., breeder, are now being mated  
with Meelick, the noted son of Pannodes. Mr.  
Blackford purchased that triple Derby winner from  
J. E. Madden, and looks for him ultimately to out-  
shine any horse that has done stud service in Texas  
in recent years. Meelick was a superior two and  
three-year-old performer and, moreover, is royally  
bred on both sides. His dam's line traces to the  
wonderful Shotover, one of the few filly winners of  
the Epsom Derby and victors in great events pre-  
dominate all through his rich pedigree. But for  
the curtailing of breeding in Kentucky on account  
of the closing down of the New York tracks, sucha stallion as Meelick would never have been allowed  
to leave that state for any reasonable price.The speedy race mare, Meelick Hannah, has been  
shipped to Parnell, Mo., by her owner, Frank Farrar,  
for retirement to the stud. Mr. Farrar had several  
offers for the seven-year-old daughter of Bedeck,  
but declined all tenders, as he desires to raise a  
colt or two from her in the spring with Harri-  
gan and perhaps leave her for several seasons in  
Missouri to be mated with that good son of Plaudit.  
G. W. Crippen has broken for a saddle horse his  
three-year-old Battle Top and expects to dispose of  
the gelding within the next few days. Battle Top  
never grew to be much of a horse of size and hence  
his owner never attempted to really train him,  
though as a yearling he was promising. Many of  
the saddle horses now in use in southern Texas and  
northern Mexico are thoroughbred horses and, having  
proven far more serviceable than other breeds, are  
much in demand by ranchmen, as well as for cavalry  
service. Buyers on the lookout to pick up any  
broken-down race horses are among the visitors at  
the race course here. There is a good market here  
for any sort of a thoroughbred horse.

## BARNEY SCHREIBER AT TORONTO.

Genial Barney Schreiber, the Missouri turfman,  
breeder and owner of Jack Atkin and many another  
famous horse, is in Toronto for a day or two. He  
set a good example to other American breeders by  
his steadfast refusal to accept the eclipse of racing  
in his country as other than a temporary affair.  
While others were selling out as rapidly as they  
could, Barney kept up his stud in the face of many  
discouragements, and he is today probably the largest  
owner of thoroughbreds in America. Of horses  
about ready to race he has probably eighty, most  
of them two-year-olds. A number of the produce of  
his farm have done well for Canadian owners, par-  
ticularly in British Columbia.Perhaps the most notable winner of all that he  
sent to Canada was Hersey, the King's Plate cham-  
pion of last year. The little brown bulldog is a  
son of Hera, a mare that was foal to Sain when  
bought by the Messrs. Drymont for Brookdale Farm.  
A picture of the head of Hersey, which ornaments  
the 1913 calendar of local horse racing, was starting  
Barney in the face when he went up to the city  
stand in his hotel yesterday, and the Missouri turf-  
man's pleasure at the sight was almost as great as  
the day he saw Jack Atkin win the \$10,000 Do-  
minion Handicap at Fort Erie in record time. Mr.  
Schreiber's visit will probably result in some more  
of his stock passing into the hands of Canadian  
owners.—Toronto Globe.

for a few weeks. He plans to go to Charleston

Kornak and other horses owned by W. P. Austin.

## NEW RACING MANUAL NOW READY.

The American Racing Manual for 1913 is now  
ready for distribution. The 1913 Manual is unques-  
tionably a better book than any of its predecessors,  
having been enriched by the addition of new fea-  
tures, while at the same time all the old features  
are retained. This publication, which is annually  
in great demand among those interested in the turf,
